

Certificate of Participation

This is to certify that

Kryshiell Ducusin

has completed the webinar

Engaging with mental health workers

This activity has been offered by the
Professional Practise in Counselling and Psychology (PPCP) and
The Practice Corner as accruing:

3 continuing professional development hours

9 September 2020

Date of issue

Course Convenor

Please note: Successful completion of this online course does not constitute credentialing, certification or qualification in the study area being undertaken, nor does it allow for post nominal titling. PPCP professional development courses do, however, provide an opportunity to introduce best practices sharing, reinforce knowledge of an existing area, and support skills development.
